

Health & Safety Policy Statement

Kingmoor Park Properties Ltd affirms its commitment to health and safety of all its employees, contractors and visitors whilst they are at work. We recognise that our activities relate to sites where hazards may exist. We will at all times conduct our activities in a manner that ensures the health & safety of our employees and others who may be affected, so far as is reasonably practicable.

Our policy is embodied in the following objectives:

- (1) To set and maintain appropriate standards for health & safety within an integrated management system designed to comply with current Health & Safety Legislation.
- (2) To comply with current and future legal requirements and national practices and to improve our health and safety performance on a continuing basis.
- (3) To ensure that all employees and others affected by our activities are informed of these standards by effective training and communication.
- (4) To ensure that all employees and sub-contractors understand their obligations and responsibilities and discharge them with reasonable care.
- (5) To encourage the participation of employees and sub-contractors in accident prevention and the promotion of effective consultation in health and safety matters.
- (6) To co-operate with local and national authorities in matters relating to the health and safety of employees and of others who may be affected by our activities.
- (7) To ensure the provision and maintenance of plant, systems of work and a safe working environment for our employees that are, so far as is reasonably practicable, safe and without risks to health

Our policy will be subject to regular review; any changes will be brought to the notice of employees and others as soon as reasonably practicable. The policy will be made available to staff and interested parties via our website and notice boards.
